- 2.) Duck Pond Drawing | Anyone who joins your team and makes a donation can write their name on a duck then float it in your punchbowl or pool to be entered for fabulous prizes (that you dream up). A great way for teams to get their ducks in a row!
- 3.) \$5 Buck Duck Chuck | Make a target and let those who donate make their ducks fly. Maybe they win a prize (like a duck) if their duck lands on the bullseye.
- 4.) Quacktacular Duck Drop | Line up a bucket or basket and see who can sink their duck to win!
- 5.) Get the Duck Out of My Office | Fill up a portable "duck pond" w/donations to reach a FUNdraising goal, then put it in someone else's office & challenge them to find donors to "pay the bill"!
- 6.) Duck Derby | Roll the dice to see whose duck can cross the finish line first! If you have a pool - you can splash numbered ducks to the finish
- 7.) Dapper Duck | Best Dressed Duck competition (donate to enter)
- 8.) Duck Scavenger Hunt | Send participants around town to visit walk supporters or throughout a building to take pics
- 9.) Pluck a Duck | Collect donations - then pick a numbered duck
- 10.) Duck Hunt | Line them up and ask donors to knock them down. Think target practice with Nerf guns.
- 11.) Duck Puck Contest | Get out those hockey sticks!
- 12.) Cupcake Toppers | Add them to a tasty creation and see who will donate for a treat (and a duck).
